Dear Sir, it's come to my attention that the restaurant Amigos Taqueria ph#401/315/5800 has & or let their employees ware t-shirts with the #86/45. This is outrageous & obscene. The 86/45 is saying to assassinate POTUS D. Trump. You MUST STEP IN ON THIS. They cannot keep warring these t-shirts. I know if a restaurant in our town we would what we need to so those t-shirts weren't worn in the workplace. No response is necessary but please resolve this issue.
